

# August Book Project

Name \_\_\_\_\_

Due No later than Sept. 3, 2010

## Memory Bag

You will read a minimum of a 100-page book by either Gary Paulsen, Patricia MacLachlan, or Jerry Spinelli, and complete this form in your best cursive handwriting. Choose items from things in your house that best represent the main character, the setting, one important event, the problem(s) the character(s) face(s), and the solution to his or her problem. Put all of the items in a bag (*paper grocery bag, cloth bag, gift bag, etc.*). Be prepared to present your "Memory Bag" and explain each of the elements, your bag items, and the reason you chose each item to the class.
