Calling All Teachers at Heart

Classroom Volunteer Substitutes

(While helping encourage our partnership as parents and school the VPA is trying something new this year! As the year progresses and occasionally unforeseen events happen where one of our Middle and Upper School teachers need a substitute, the VPA is interested in helping find parents (LS,MS or US parents) who are willing to aid our wonderful teachers in a special way by volunteering to monitor a class on occasion. A short orientation of general classroom policies is necessary, so if you'd like to be considered for addition to our substitute list please check the box above and one of our deans will be in contact with you. This **volunteer** time may be a planned day and time or it can also be a last minute opportunity.)
