

Dear Valwood Community,

The Head of School Search Committee is pleased to report that we have had a productive summer in the search for the next Head of Valwood School. Katherine Stuart and Bob Veto from The Education Group completed a successful campus visit, where they met with a wide range of Valwood stakeholders. We also received a very high response rate to the community survey, demonstrating the Valwood community's commitment to helping identify the qualities and characteristics most important in our next Head of School. Based on the campus visit, community survey, and meetings with the Search Committee, they developed the position profile used to recruit candidates who are the best fit for Valwood. The position profile is available on the Head of School Search webpage.

The Education Group has spent the summer recruiting and evaluating prospective Heads of School. They will soon present a field of candidates to the Search Committee. From that group, the Search Committee will select semifinalists and, ultimately, finalists. This fall, the finalist candidates will visit Valwood. These visits will provide an opportunity for parents, faculty and staff, and students to meet the finalists and offer feedback to the Search Committee.

We appreciate the continued interest and support of the entire Valwood community throughout this important process. We look forward to sharing additional updates as the search progresses.

Sincerely,

Head of School Search Committee
