Dear Valwood Parents:

We are so excited about all of our returning and new families being part of our Valwood Community! Racing Pig Catering Service will continue to build upon our very successful meal program, offering high quality food with high nutritional value. Thank you so much for your confidence in our services.

Please take a moment to decide which plan suits your child and sign up now! Attached are meal plan enrollment forms. The price per meal with the plan is \$5.25 as opposed to \$6.00 by paying through the a la carte program. In one semester, it really adds up!

For Lower School students, we are offering Pre-K thru 4th grade a reduced annual plan of \$552.00, which is \$3.00 a meal. Only so many plans available, so purchase now to be sure one is available.

Please, complete the attached Meal Plan form and return it, along with your payment, to:

VALWOOD DINING HALL OFFICE

or mail it to

RACING PIG, LLC

Our online service does not allow you to sign up for the meal plan.

We, also attached the myschoolaccount.com form for information regarding our prepaid students accounts for break items and can be used to purchase lunches if you did not sign up for the meal plan. Your student should have a meal plan and/or a prepaid account or they should pay with cash.

We are excited about our food service program and are looking forward to the 2019-2020 school year in the dining hall.

Thank you for your support!
