Dear Valwood Families,

Our on-line debit card service, [mystudentaccount.com](http://mystudentaccount.com), will allow you to monitor your children's lunchtime purchases, break purchases, track what your children have been eating for the past 30 days, make deposits directly into their **prepaid accounts**, and have an email reminder sent to you when an account balance gets low. **This is a debit system.** Student prepaid account deposits can be made through ACH payments or by credit card. Each child's account will be updated nightly so that account balance information and payments will be current as of the following day.

**Please remember that we do not charge meals and/or break items.** Your student should have a meal plan and/or a prepaid account or they should pay with cash.

If you have not set up an account before, **you must get your student's ID # from the front office of Valwood before attempting to create a new account.** To create a parent account with [myschoolaccount.com](http://myschoolaccount.com) follow the instructions below:

1. Go to [www.myschoolaccount.com](http://www.myschoolaccount.com).
2. Click "Create Account" on the top menu bar.
3. Fill in the required information on the "Parent Account Sign-Up page."
4. Choose Valwood from the "School District" drop down menu.
5. Create a User ID and Password
6. Click the "Accept" box, and then click "Signup." An email will be sent to your email address that will contain a "verification code."

After you receive the "verification code" you may begin to add your children's information. To do this, you will need to:

1. Go to [www.myschoolaccount.com](http://www.myschoolaccount.com) and login using your previously created user ID and password.
2. Enter the "verification code" to verify your account and email address.
3. Begin adding your children's information according to the guidelines provided. You will need each of your children's student ID numbers to add each student:  
**Addison Evans - 1209999**
4. After the students are added you will be able to view the lunch account activity and make payments to the student lunch account.

**Note:** A parent account can be linked to multiple children, but a child can only be linked to one parent.

We urge you to take full advantage of this system by making deposits into your children's accounts on a weekly, monthly, or annual basis. You are free to choose the amount of each deposit. Any money that is not spent by the end of the school year will be available the following school year.

Sincerely,  
Dining Hall Don
