Thank you to the following parents, grandparents, faculty, staff, friends and corporations for your participation in the Georgia Education Tax Credit program in *2020-2021*. Since 2008, the state of Georgia has allowed for the redirection of state income tax liability to a qualified student scholarship organization for the purpose of need-based financial assistance. In *2020-2021*, Georgia GOAL provided financial assistance to 76 Valwood students. Students receiving GOAL dollars were enrolled in Lower, Middle and Upper School. Without your support, these students would be unable to attend Valwood.
