O'Reilly, Bill. *The Day the World Went Nuclear: Dropping the Atom Bomb and the End of World War II in the Pacific*. New York: Henry Holt and Company: New York, 2017. ISBN: 9781250120335

Bill O'Reilly discusses the American approach to ending war in the Pacific against a relentless Imperial Japanese Army. Dr. J. Robert Oppenheimer and his team of scientists have created the world's deadliest weapon: The atomic bomb. President Harry Truman must make a choice whether to use Oppenheimer's atomic bomb or risk the lives of more American soldiers.

For this assignment, read *The Day the World Went Nuclear* and choose two (2) quotations from each chapter that stand out to you. For each quotation, write 2-3 sentences explaining the historical context and the significance of the quote.
